

Lactation Resources

Lactation Spaces Available

*indicates lactation room is equipped with hospital-grade Medela Symphony Breast Pump (bring your own Medela Symphony Pumping Kit, available at a discount through AFCH Outpatient Pharmacy, or you can get online at Medela or Amazon)

If something is broken, needs to be unlocked, supplies need to be restocked, or cleaning is required for UW Health rooms, please contact the specialist team in the Facilities Dispatch Center (608) 263-5205 or email employeeewellbeing@uwhealth.org. For spaces within East Madison Hospital, please call (608) 440-6565. For routine, non-urgent needs, please complete a [Service Request Form](#).
